

Dear Financial Aid Applicant:

Enclosed is the 2008 financial aid application. Please fill out and return it to the Herzl Camp office, along with your 2007 tax return by March 15, 2008. If you have not completed your 2007 taxes by March 15, please send your 2006 tax return so that we may begin to process your application. **Applications will not be processed until we have received your 2007 return.** Although aid can be designated, no monies can be released until the 2007 tax return is supplied.

Also, please make sure to apply to all agencies from which you are eligible to receive financial aid. Residents of Minneapolis may apply to the Minneapolis Federation. To receive an application for a Federation camp scholarship call Norma Kaplan at the Federation at 952-417-2335. Residents of St. Paul should apply to the United Jewish Fund and Council at 651-695-3183 (Laura Savin). Applications and guidelines for both Minneapolis and St. Paul camp scholarships are available on the website www.jewishminnesota.org under "Grants and Scholarships" with a link to the "Happy Campers." You should also check with your synagogue or Hebrew School regarding their criteria for scholarship applicants.

Herzl Camp financial aid grants are based solely on need. You will be notified of your award by April 15, 2008, unless you have applied to other agencies for financial aid, in which case we will notify you after we have heard from them. As financial aid is intended to lower the cost of camp, you will still be responsible for a portion of your tuition. You must make monthly payments either through automatic withdrawals, Visa/MasterCard, or post-dated checks. Please contact the office to determine your monthly payment amount.

Sincerely,

Herzl Camp Board
Financial Aid Committee
