

HERZL CAMP CODE OF CONDUCT - 2008

At Herzl Camp our primary concern is the safety of all campers, staff, and guests. This Camper Code of Conduct is designed to help keep children safe and comfortable, both physically and emotionally. Campers and parents should read the following items together, and be certain that everyone understands their responsibilities. Children will not be allowed to attend camp if we do not receive this form.

Herzl Camp Values...

- Development of positive Jewish identities, life-long friendships, personal connections to the State of Israel, and promotion of self-reliant confidence.

Herzl Camp Expects...

- Each camper to be responsible for his/her own actions.
- Everyone at Herzl (campers, staff, parents, and visitors) to treat all others with respect.
- Positive participation in all programming.
- Campers to treat Herzl Camp equipment, materials and buildings with respect (throw out trash, remember to flush, etc...).
- Campers will remain in their own cabins after lights out, with the exception of necessary bathroom trips.
- Appropriate clothing to be worn at all times.
- Minucha to be quiet, in your cabin, rest time for everyone.
- Gan toys and staff bicycles to be off-limits to campers.
