## Herzl Camp's Registration Process

All registrations processed online by October 30<sup>th</sup> or received with an October 30<sup>th</sup>, 2009 or earlier postmark will be considered at the same time. An online registration or postmark on October 31<sup>st</sup>, 2009 or later will be considered on a first come, first served basis. If you have any questions about the registration process or need assistance with registration, please call the Herzl Camp office at (952)927-4002 or email [info@herzlcamp.org](mailto:info@herzlcamp.org).

### FAQ'S ABOUT THE HERZL CAMP REGISTRATION PROCESS

***How do I register online, and does it cost me anything?*** Registering online is quick and easy! Simply go to our website, [www.herzlcamp.org](http://www.herzlcamp.org), and click on the "Register Online" button. Then, simply follow the instructions. If you have registered a camper for a previous summer, you will already have an online account. Feel free to call the Herzl Camp office for your login information. This registration does not cost more, in fact, it saves you a stamp and all registrations are processed in real time! You can pay with a credit card, electronic check or automatic withdrawals from your checking account. All registrations require a minimum of a \$300 deposit. If we are unable to register your child in their desired program, your \$300 deposit will be refunded in full. You will receive an e-mail confirmation so that you know your registration was received. Once your registration has been fully processed, you will receive another confirmation.

***What is a Credit Card Convenience Fee?*** This fee covers the costs that the credit card companies charge for using their services. Herzl Camp does not profit from these fees in any way.

***Do I have a better chance of getting in if I send my application in right away?*** As long as the registration and deposit are received online or with a postmark no later than October 30<sup>th</sup>, your application will be treated in the same manner as all others received by that date.

***How is the acceptance order determined?*** Acceptance order is **only** determined if the number of registrants meeting the postmark date exceeds the number of spaces in a program. Within each program, the order is determined by a random drawing of names. Once the session is full, the drawing continues to determine the order of the waiting list.

**\*\*NOTE:** For the summers of 2006-2009, there were NO waitlists formed following the registration due date.

***What happens if my registration is postmarked on October 31<sup>st</sup> or later?*** The registration will not be processed until all registrations postmarked from October 30<sup>th</sup> or earlier have been processed.

***Does asking for financial aid change my chances of being accepted?*** No. Financial aid requests are not part of the priority enrollment or waiting list determination. In addition, all financial aid requests are processed confidentially.

***What if I have an overdue balance from the past?*** Your registration will not be processed until that balance is addressed. You should contact the office right away to make arrangements if you have a balance from a previous summer.
